

ABOUT TENGBO BILLIARDS:

With 30 years of professional expertise in the billiards industry, Tengbo stands as Chinese leading comprehensive service professional for billiards.

Equipped with a 16,000㎡ self-owned manufacturing facility, a 2,000㎡ headquarters building, and a professional team of 200 members, we supply a full range of high-quality billiard tables tailored for American nine-ball, snooker, Russian-style, and Chinese-style competitions.

We rigorously select premium raw materials worldwide, implement automated quality control throughout the entire production process, and ensure all products fully comply with strict quality control & competitive pricing.
